ZWANZE DAY 2012 AT THE TRAPPIST, OAKLAND, CA

All Photos by Joseph Geha, Metro Editor & Photo Coordinator

Just 36 locations around the globe were graced with a keg of the historic Belgian brewery Cantillon's exclusive Zwanze Rhubarb Lambic beer on Saturday. Locally, The Trappist in Oakland played host to hundreds of eager drinkers seeking a taste of the light, crisp and fruity vintage. Zwanze, a colloquial Belgian term refers to a joke or a style of humor of the people of the city of Brussels. Cheers to a successful Zwanze Day 2012.
